Bertha the pig really likes her farm.

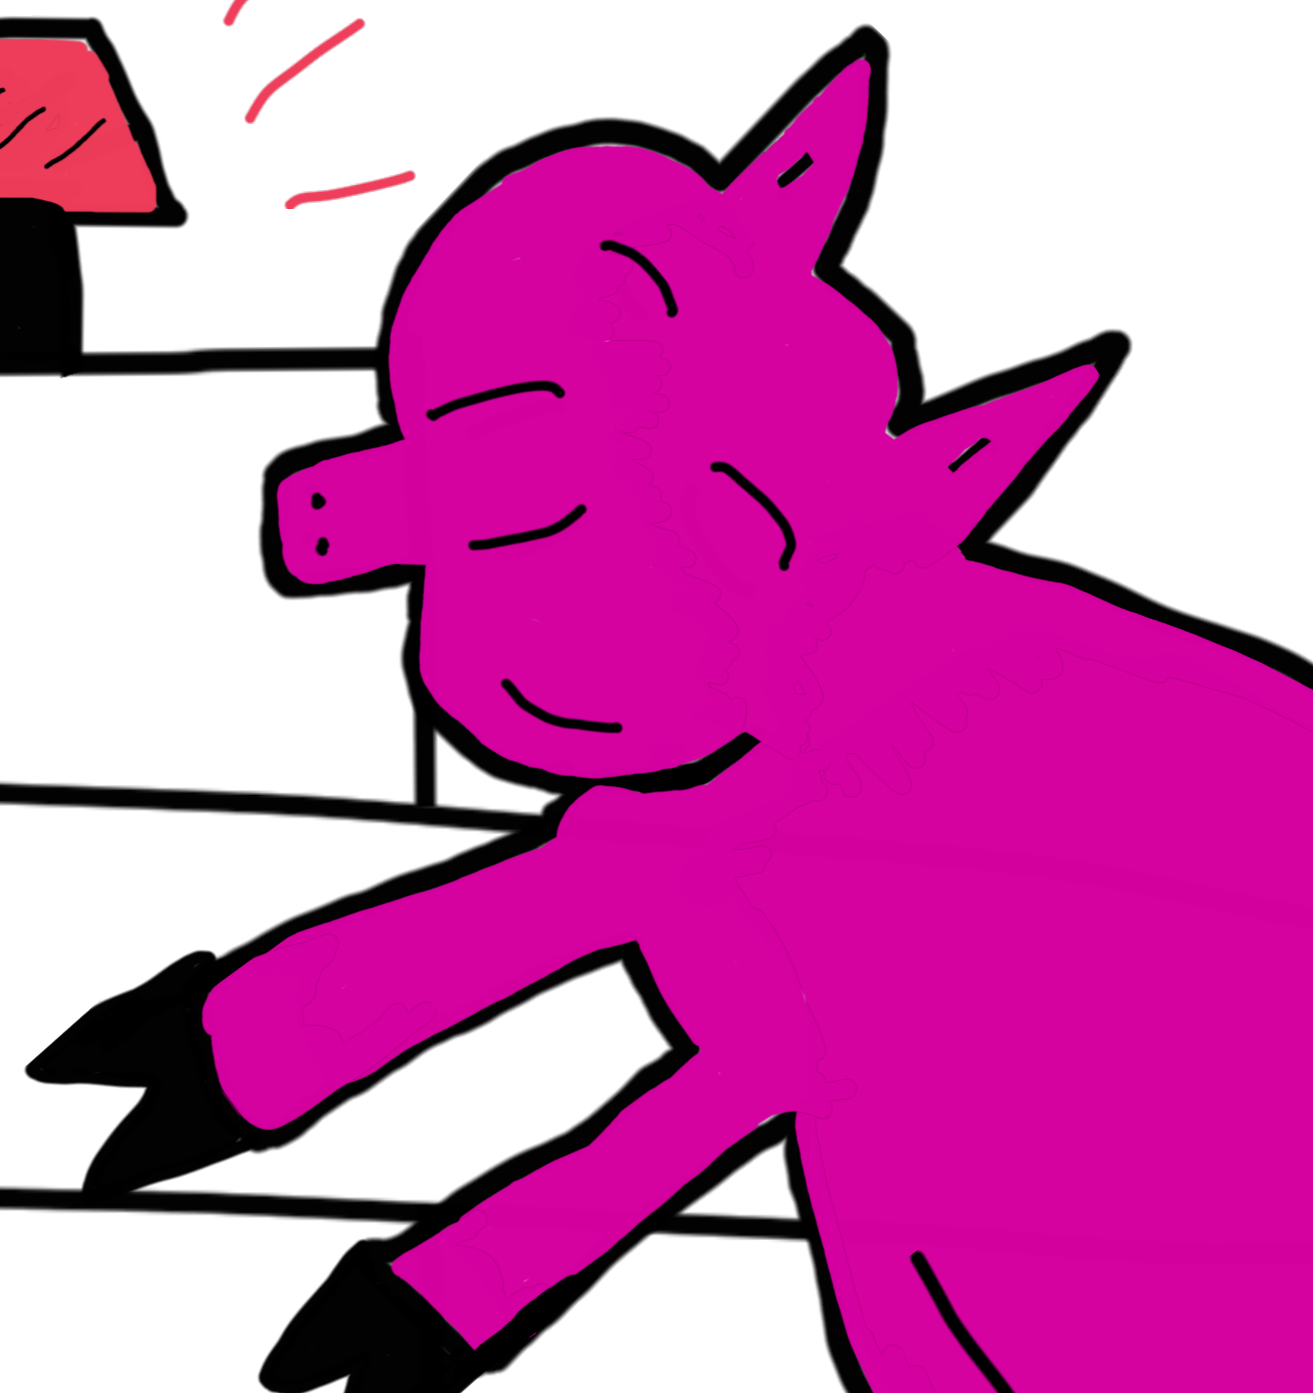

She is always in her corral.

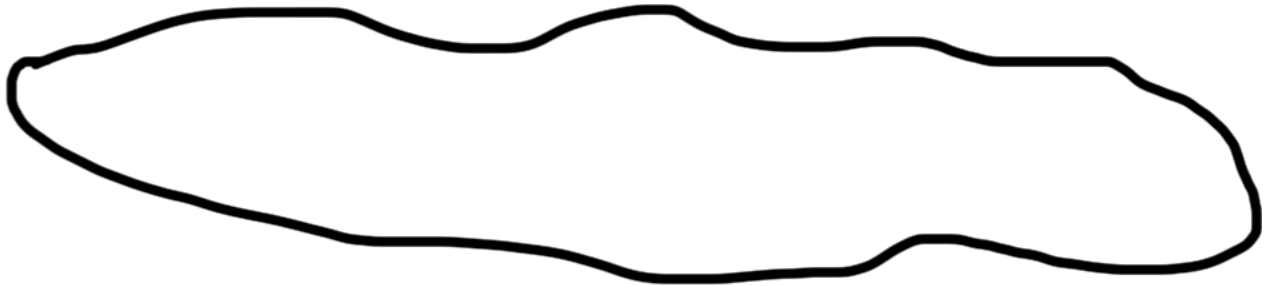

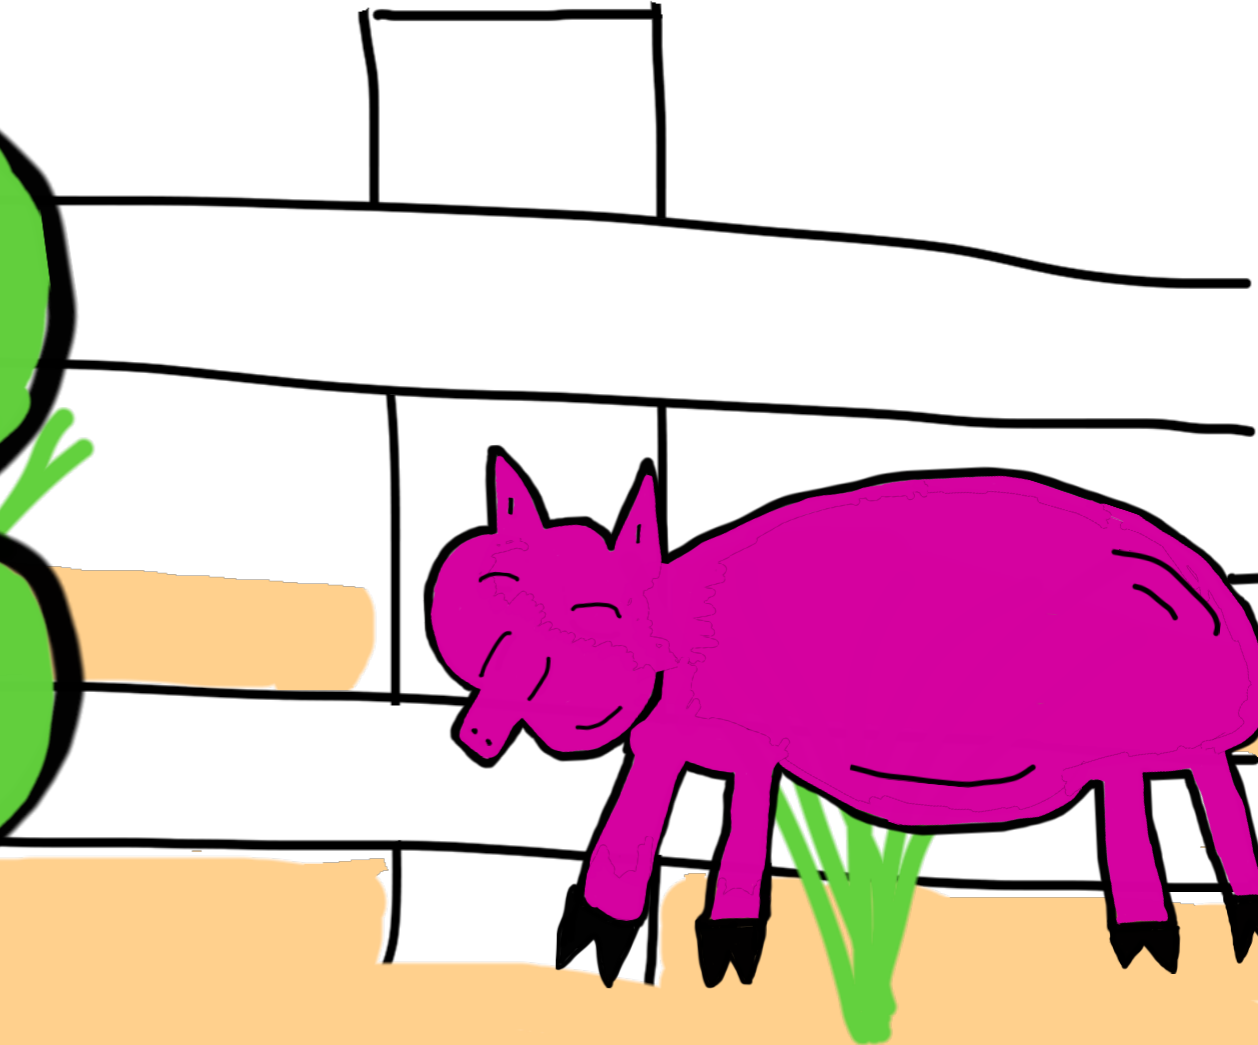

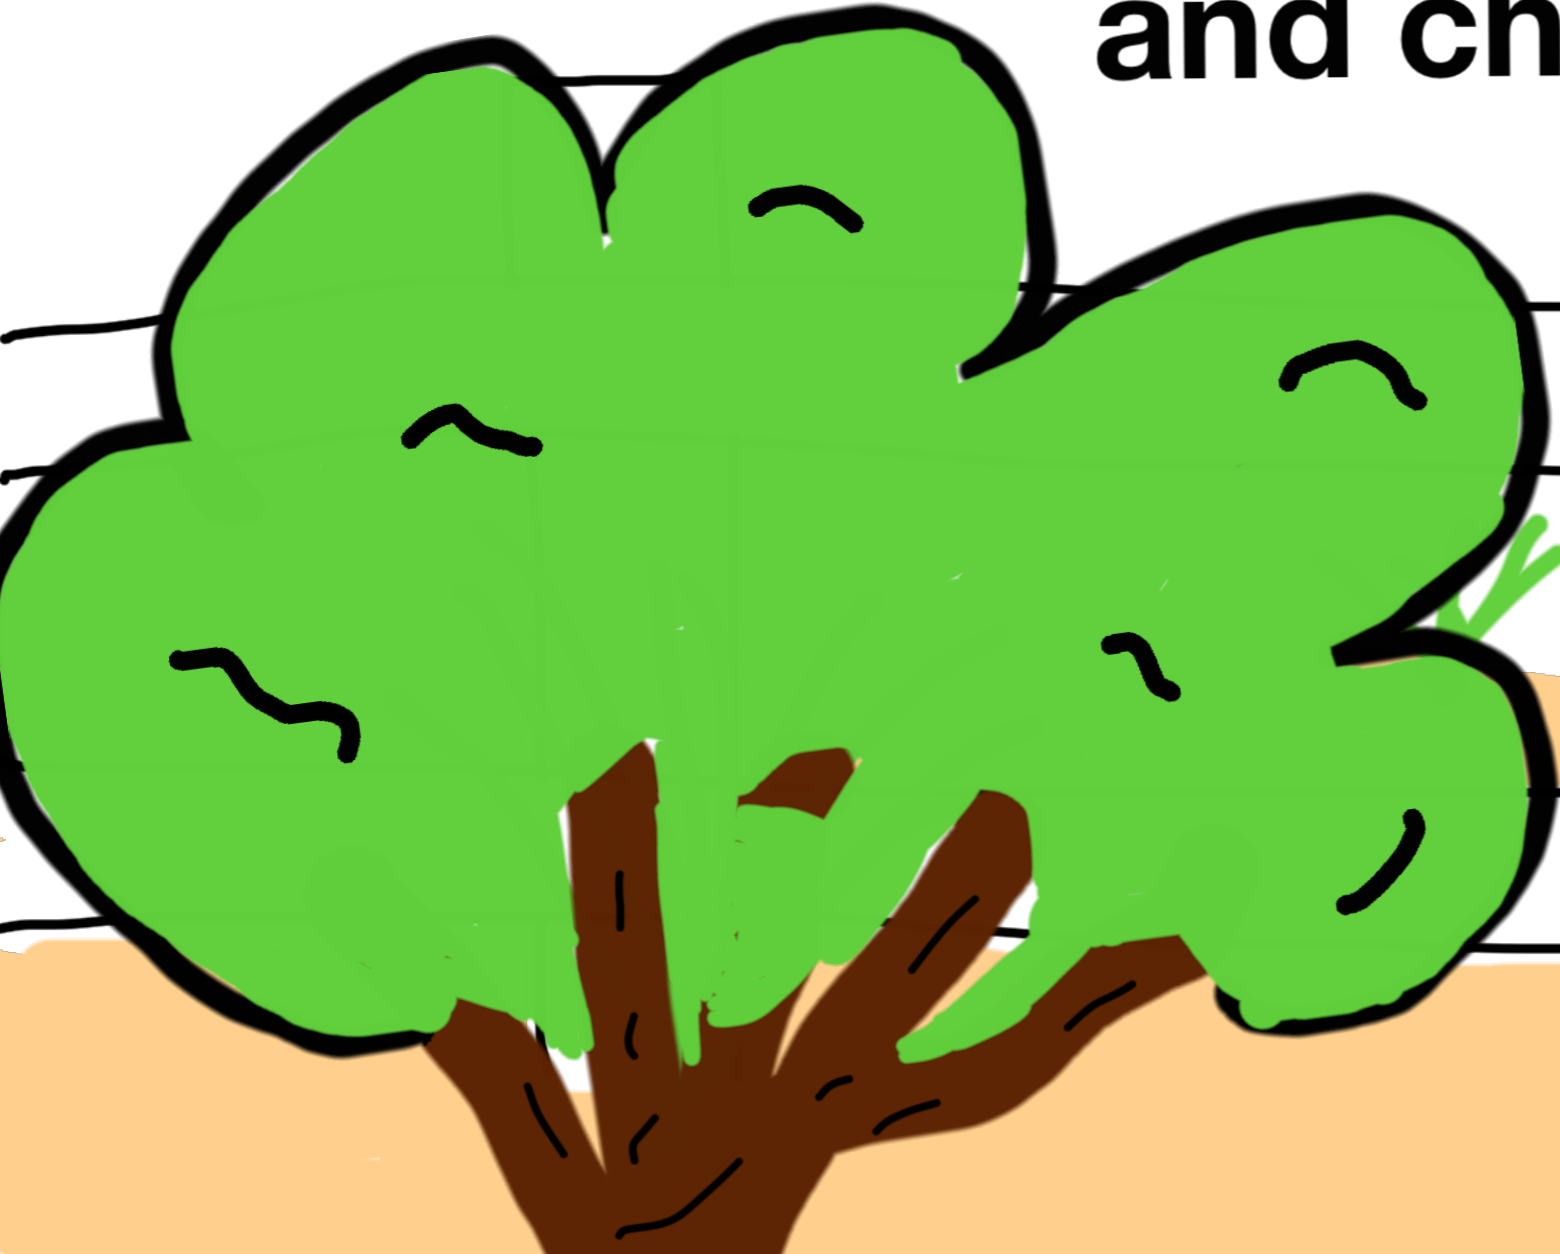

**The farm is going to host a festival. All the animals have to prepare for the visitors.**

The alarm sounds! Bertha must make sure the preparations for the festival are on schedule.

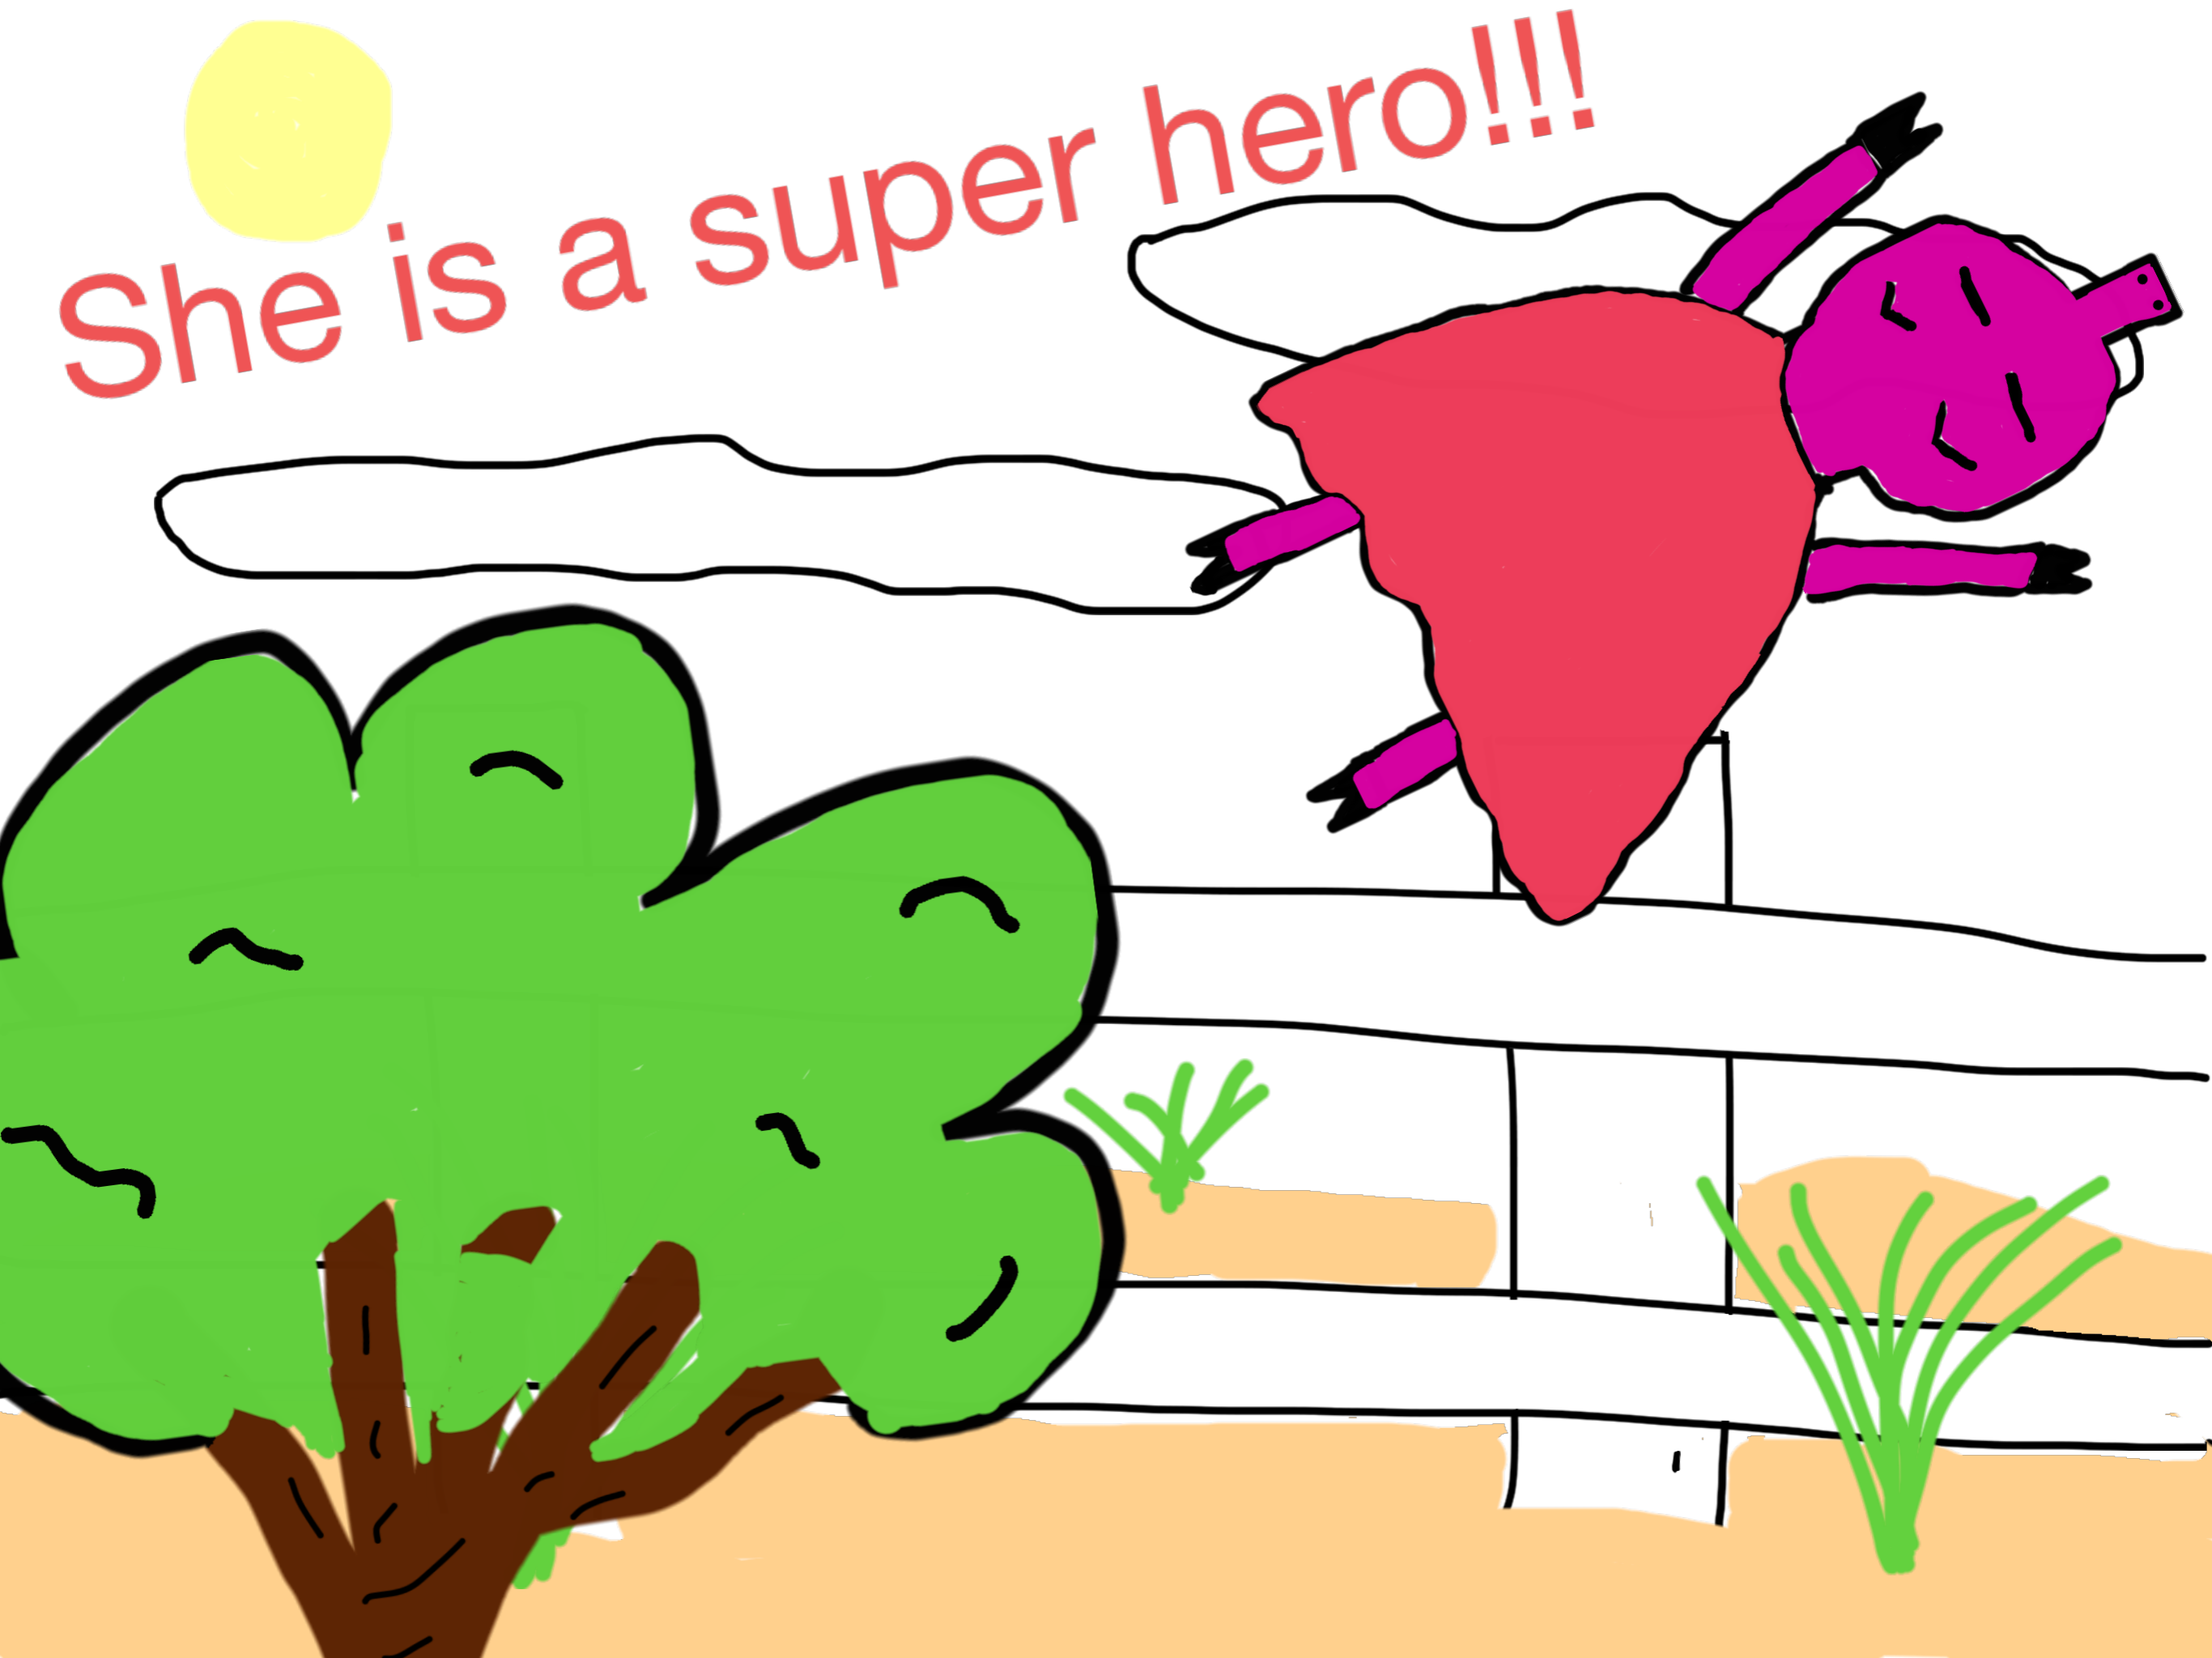

**Bertha** needs to hide  
and change because...

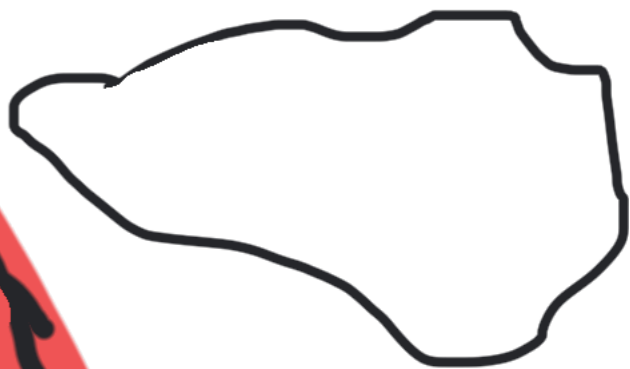

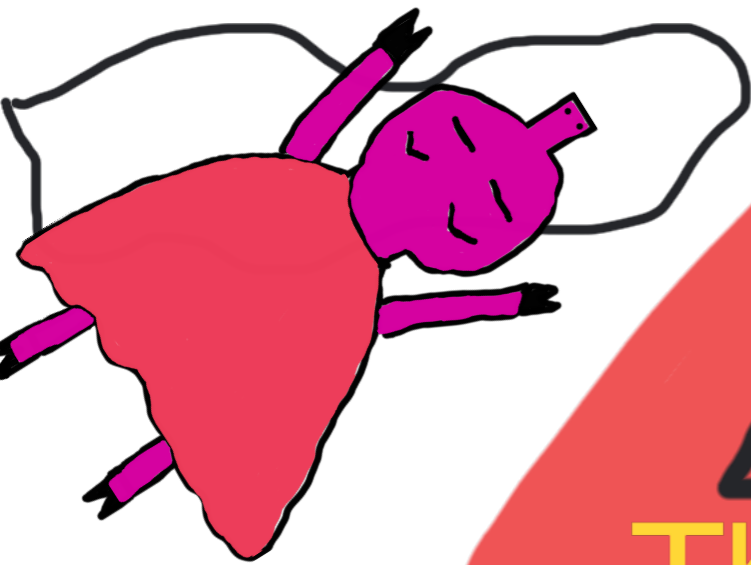

She is a super hero!!!

Ramón the horse is showering.

The sheep are shaving.

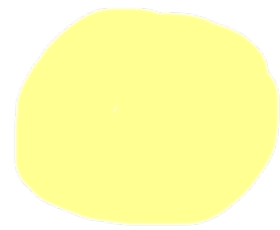

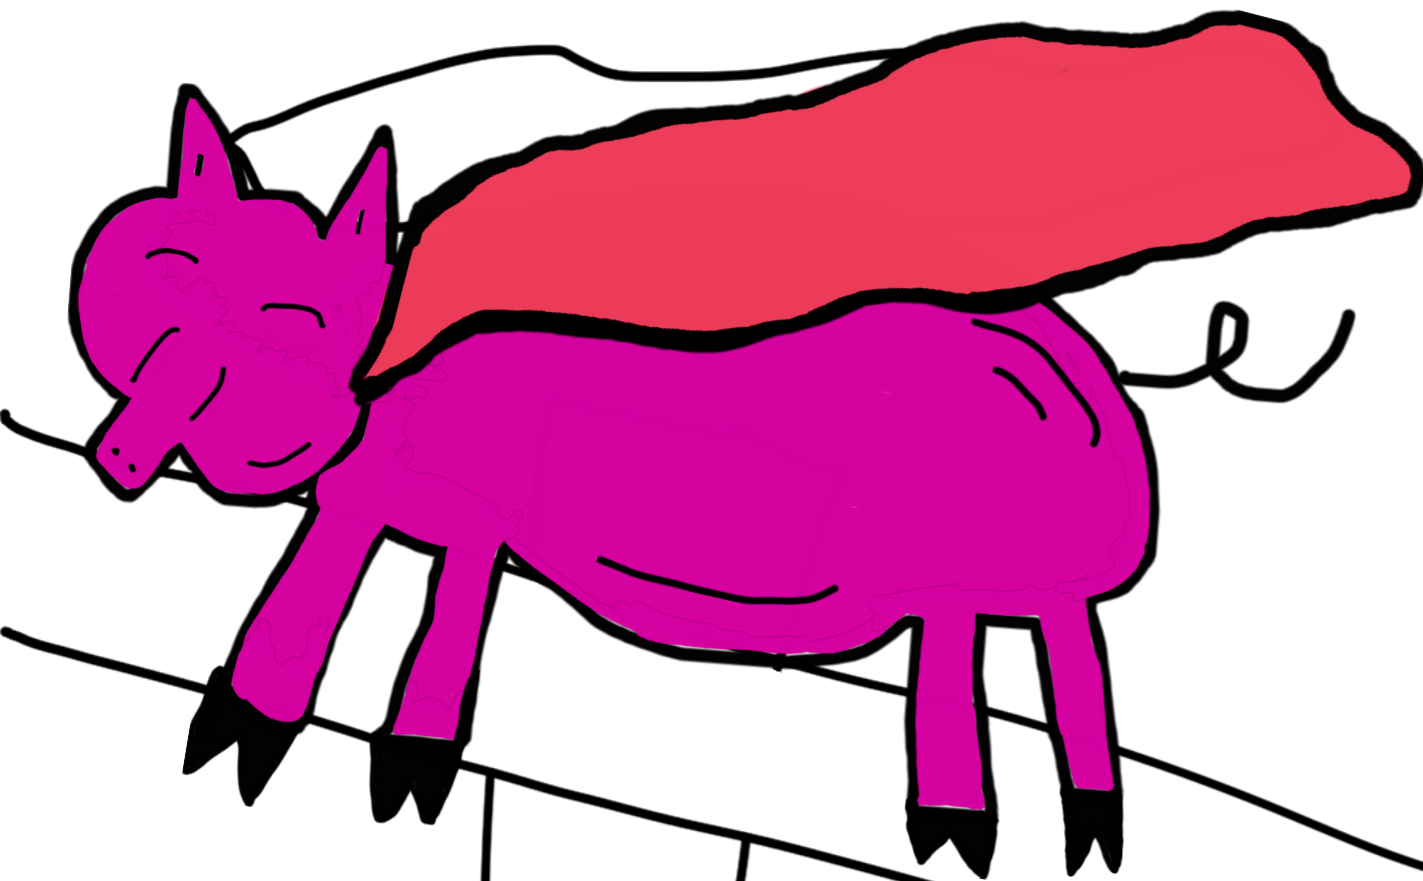

**The chicks are bathing.**

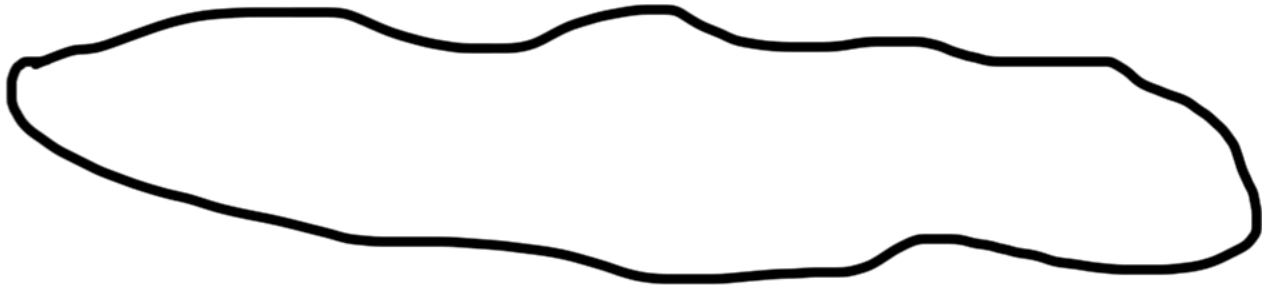

The baby bulls put on their gold rings.

The preparations seem to  
coming along fine. Everything  
will be great for the festival!

Bertha is flying  
back to her  
corral quickly,  
because...

She really likes her farm.
