

Berta la Cerda y El Día

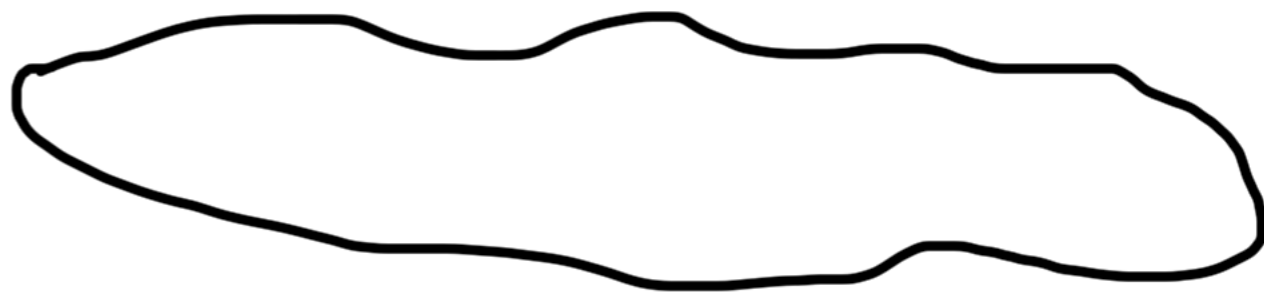

del Festival

Cuento e Ilustración

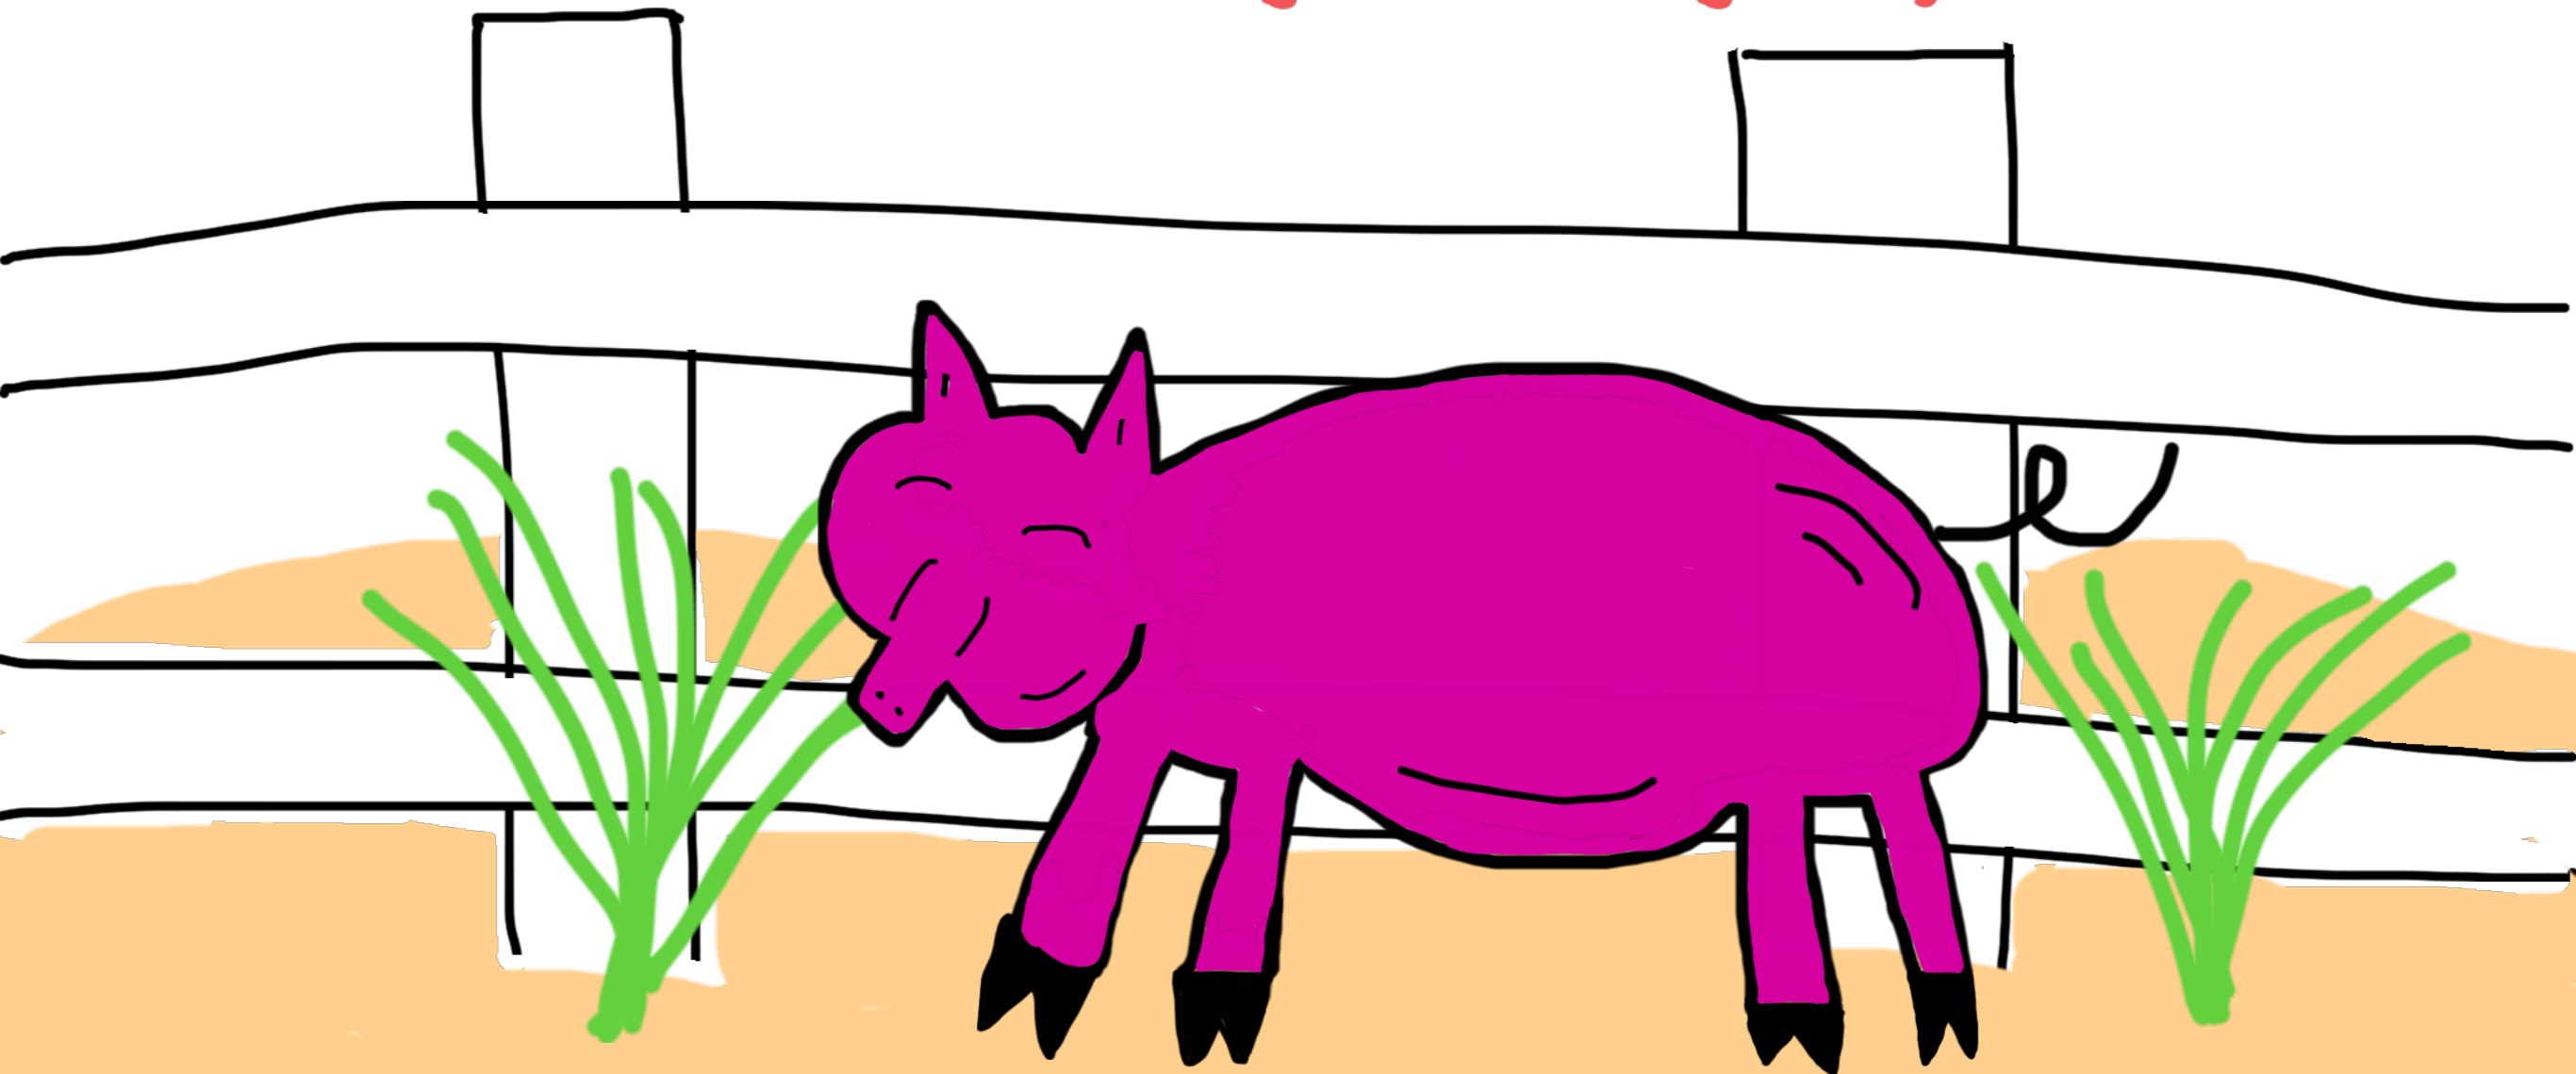

Por

Bill Denham

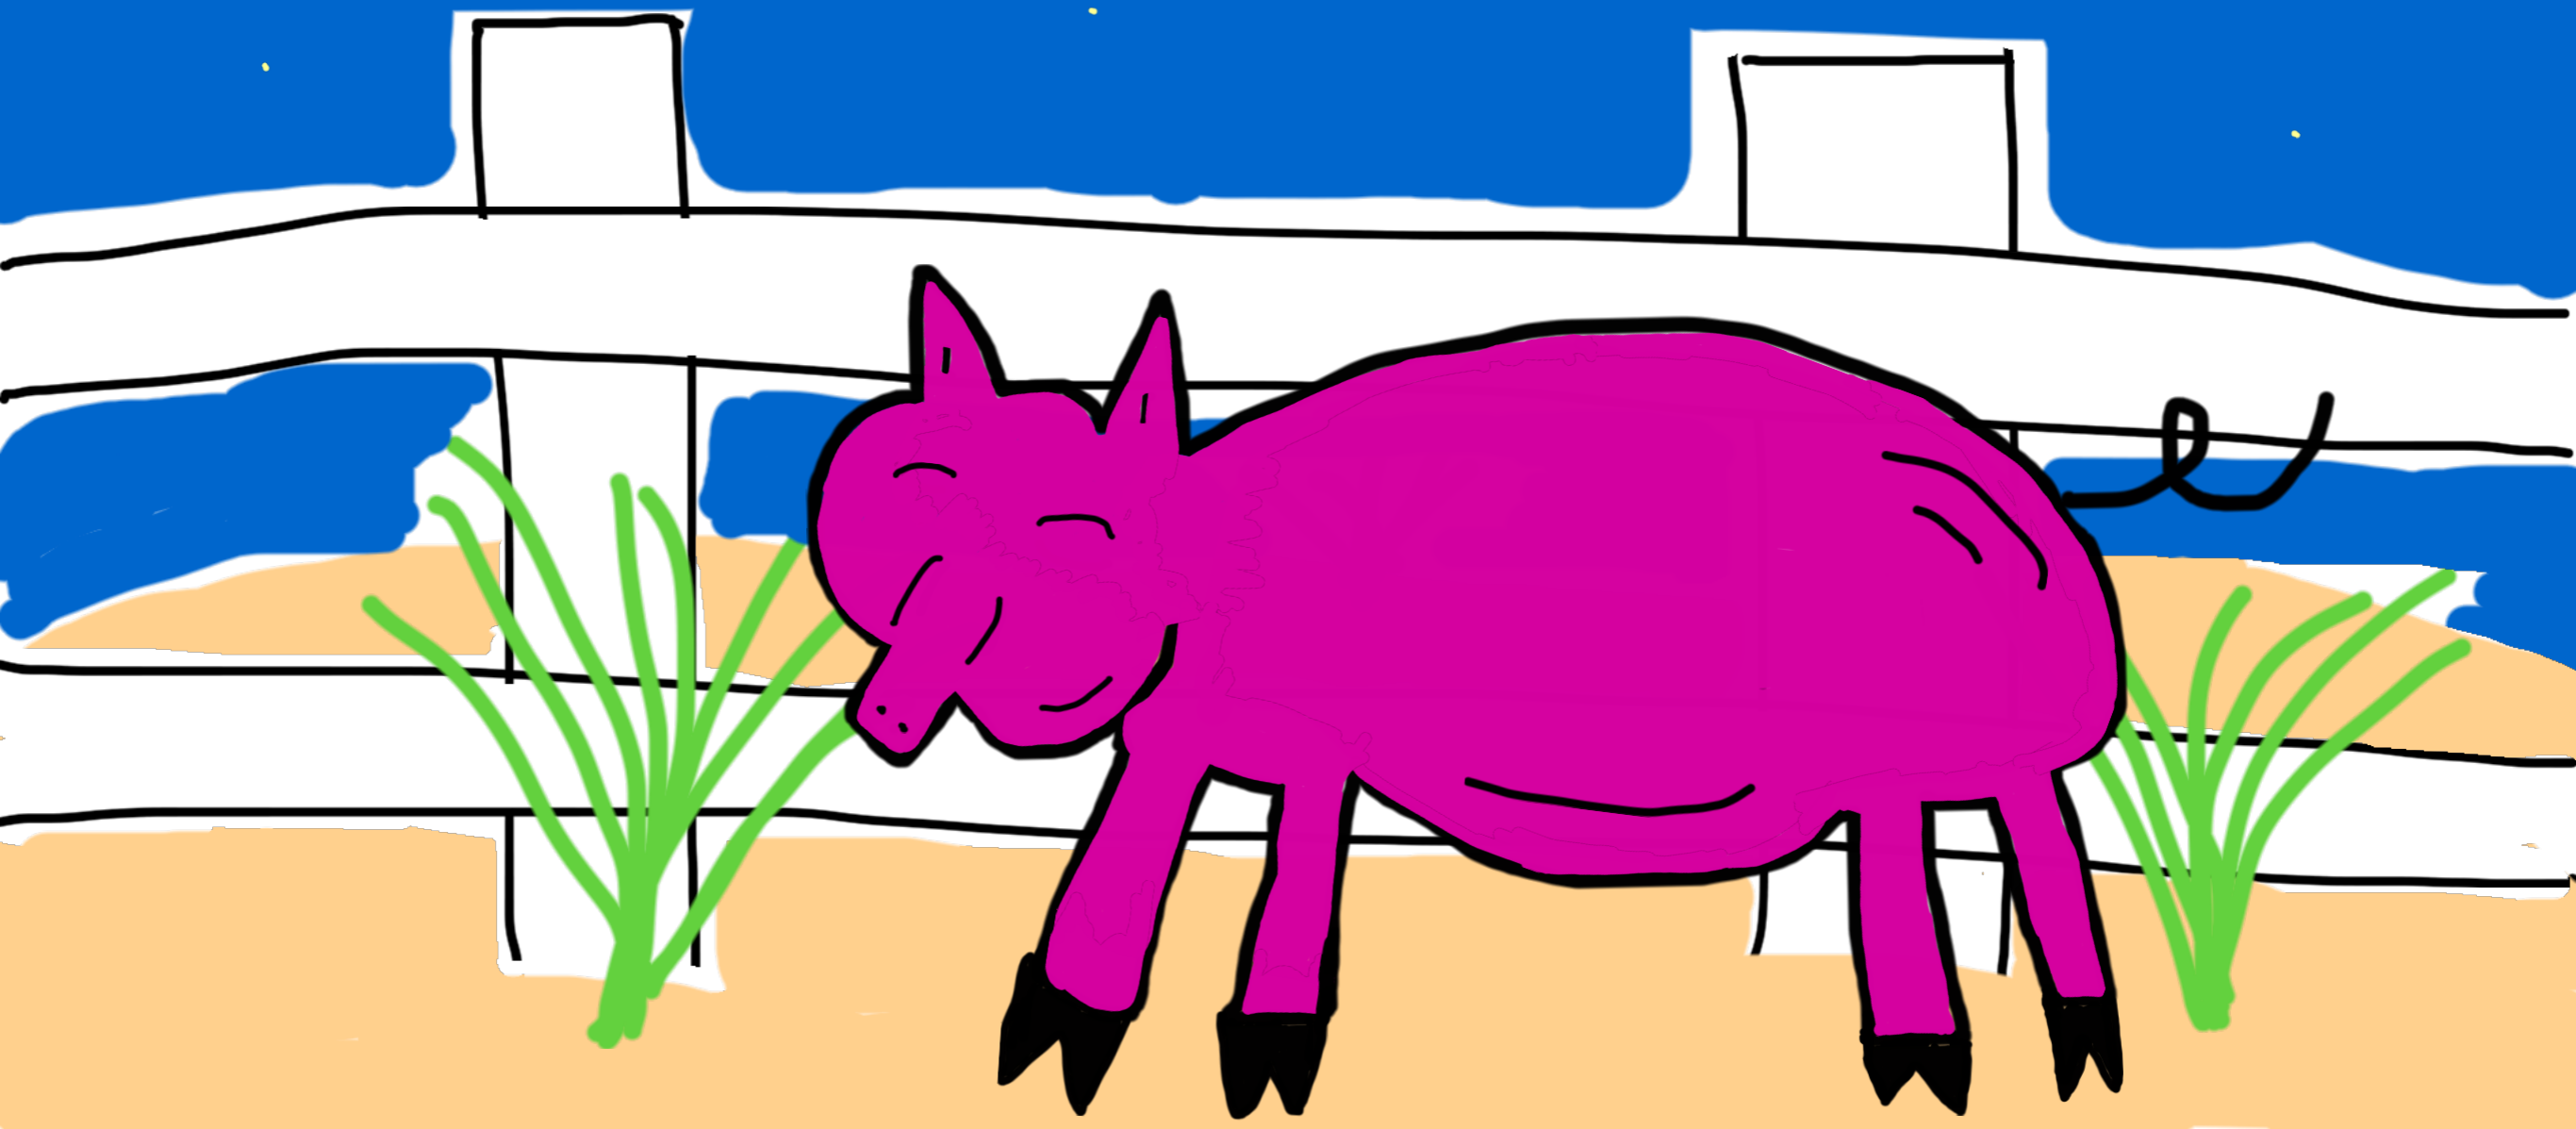

A Berta la Cerda le gusta su granja.

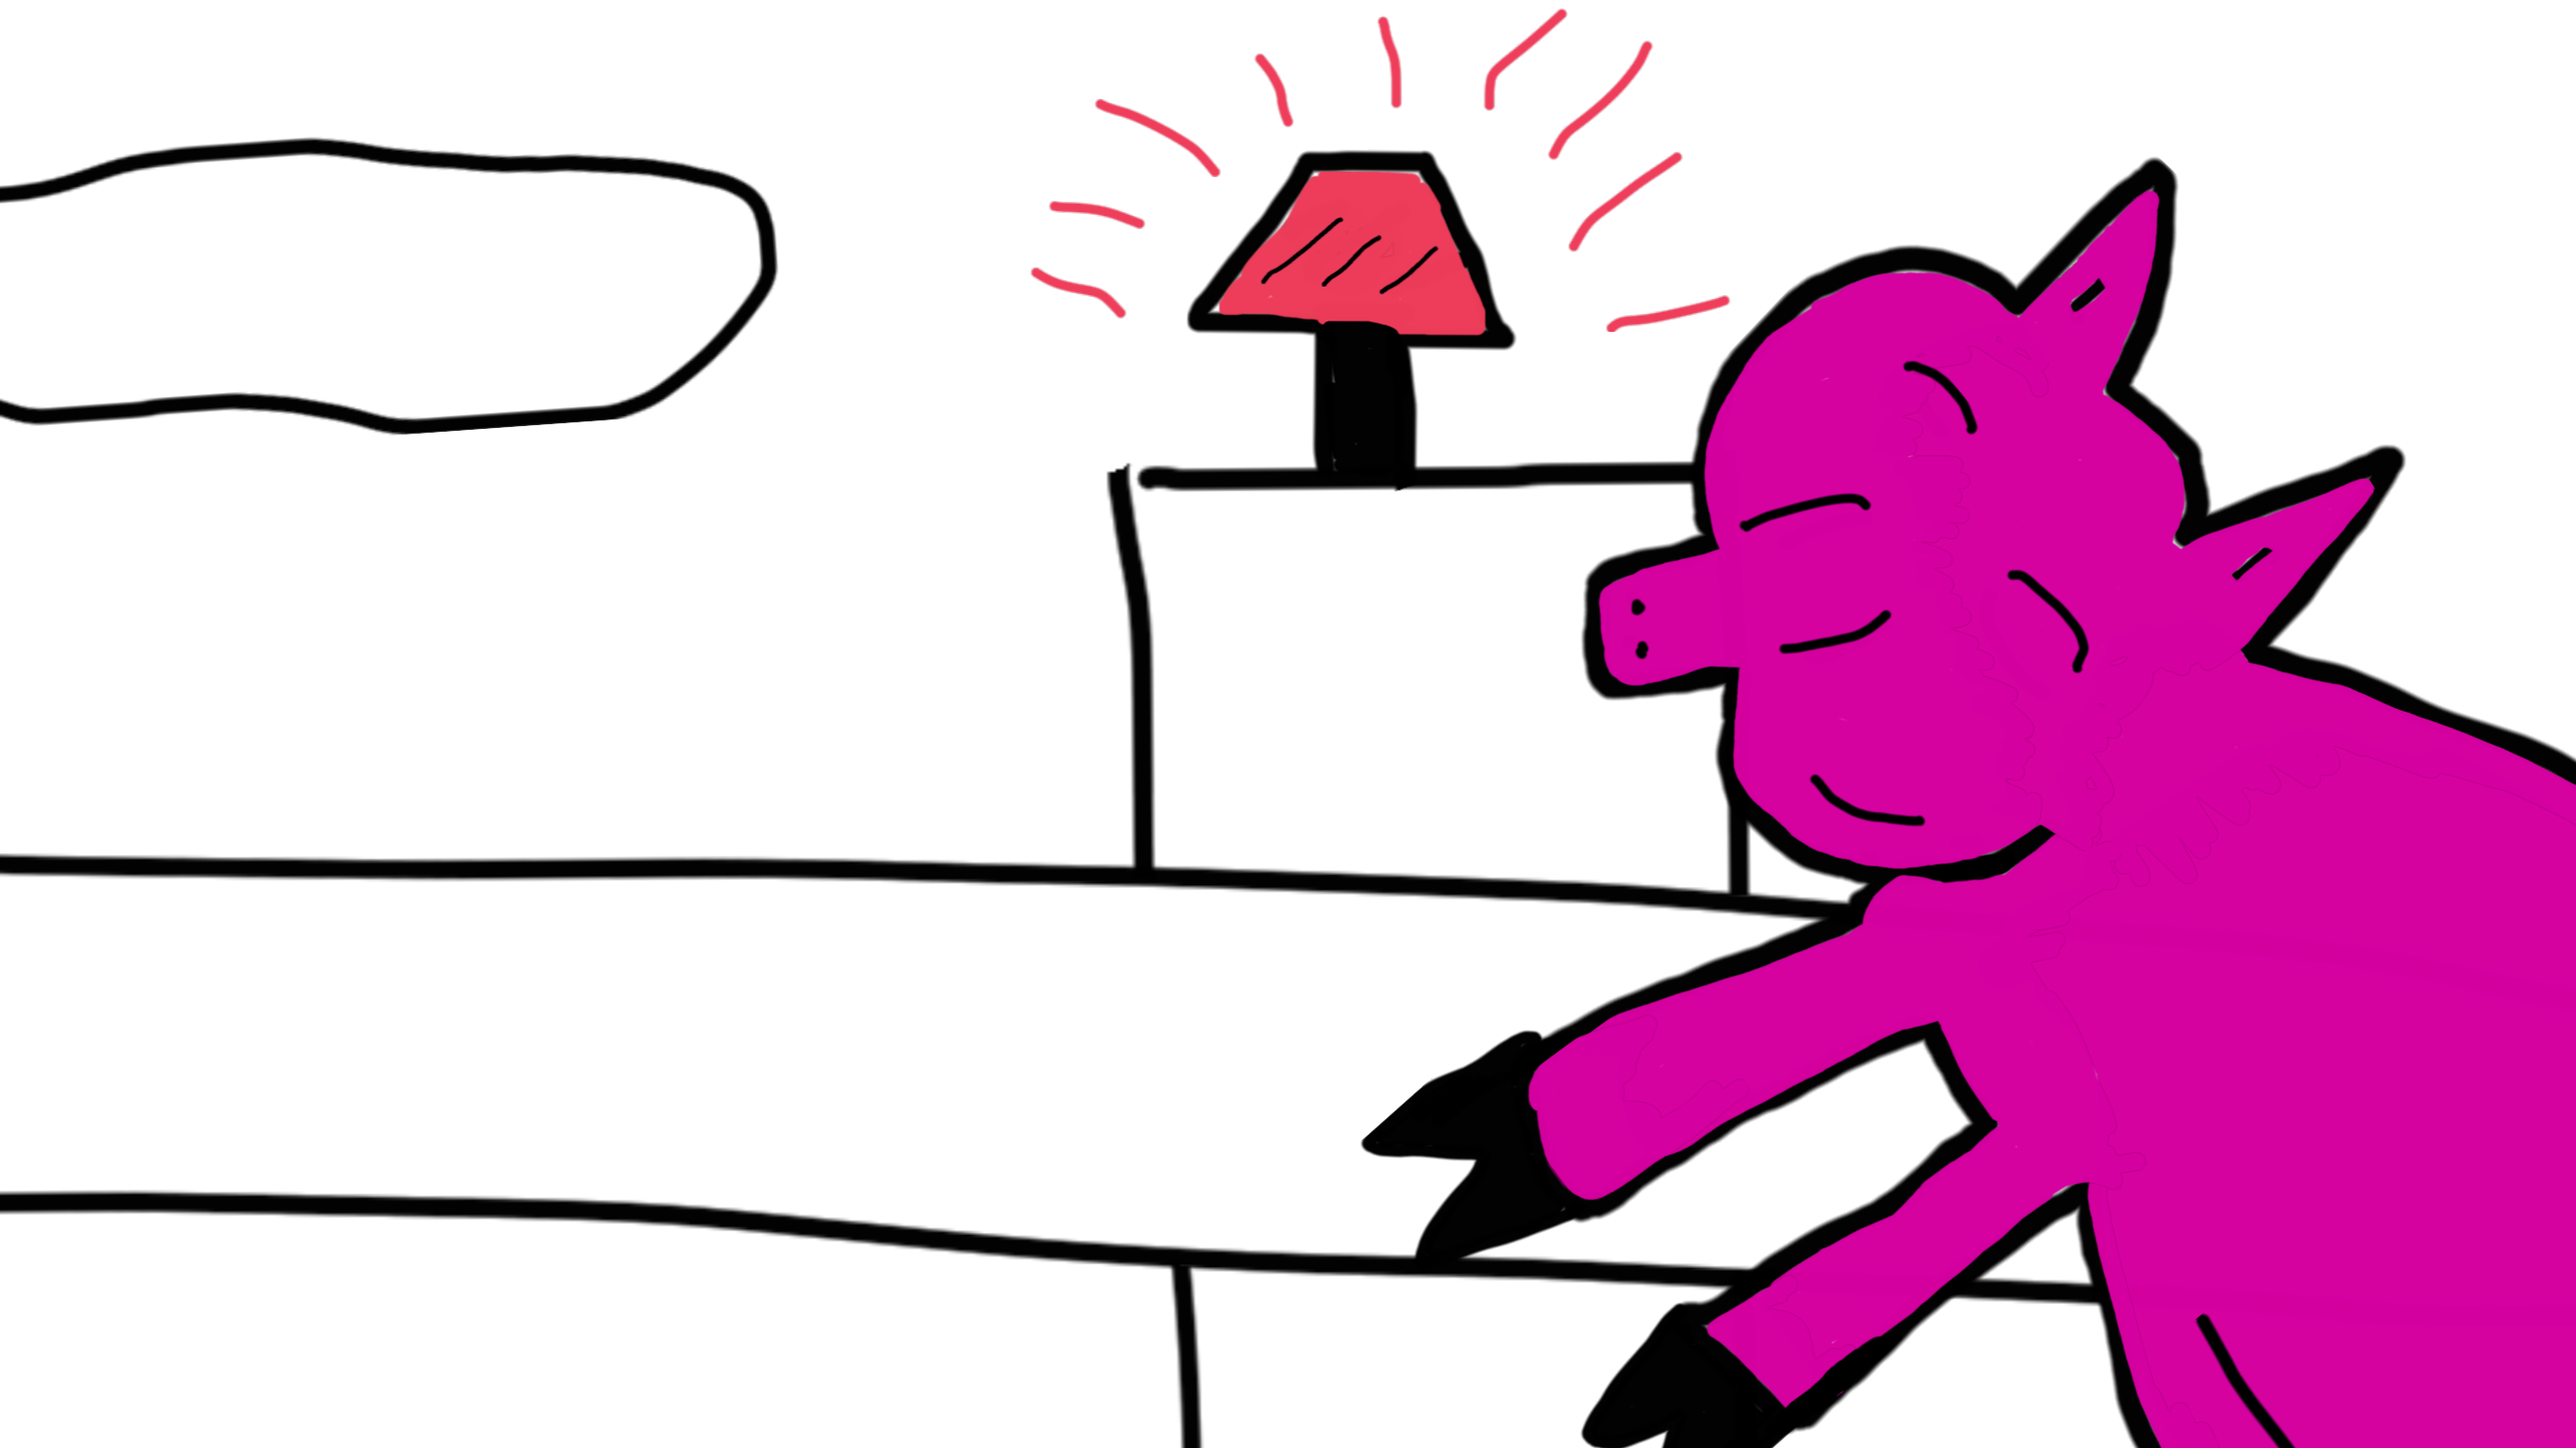

Siempre está en su corral.

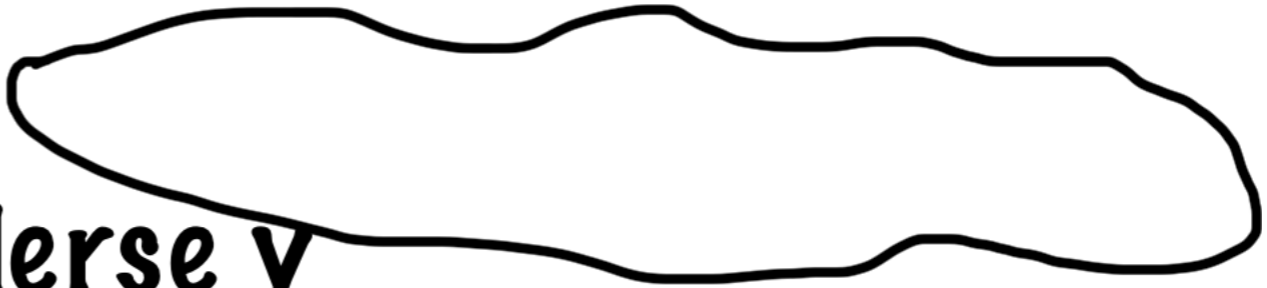

A cartoon illustration of a pink pig standing in a field. The pig is facing left and has a happy expression. It is surrounded by green grass and a white fence with wooden posts. In the background, there are two white clouds and a bright yellow sun in the top right corner.

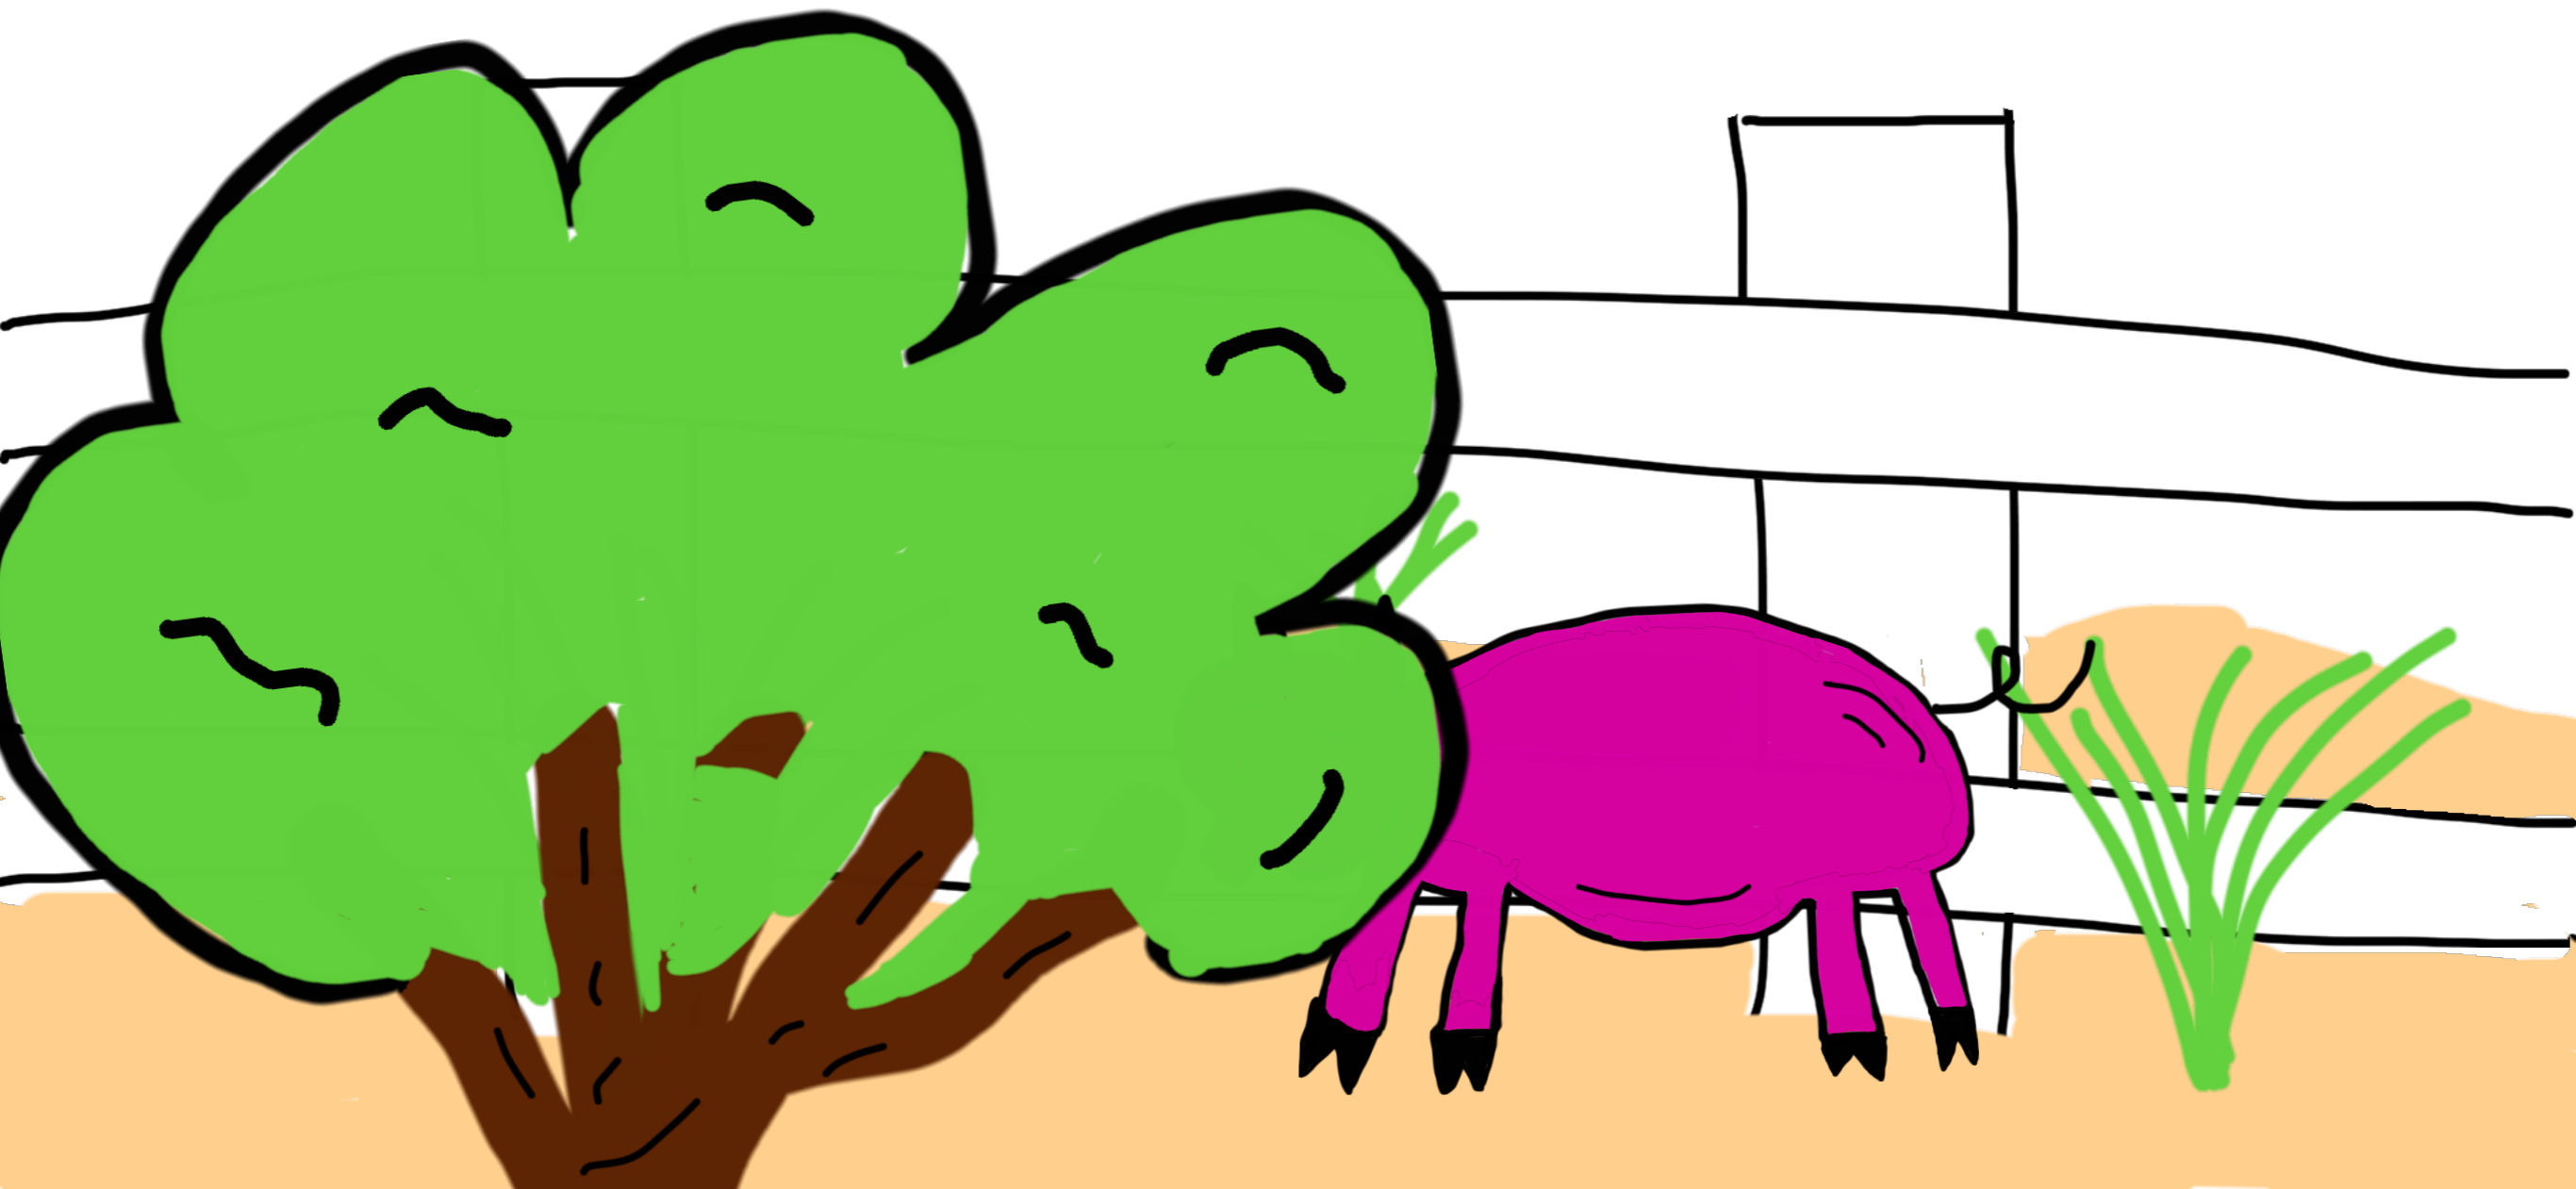

La granja va a tener un festival. Todos los animales tienen que prepararse para los visitantes.

¡La alarma suena! Berta necesita observar las preparaciones.

Berta necesita esconderse y cambiarse porque...

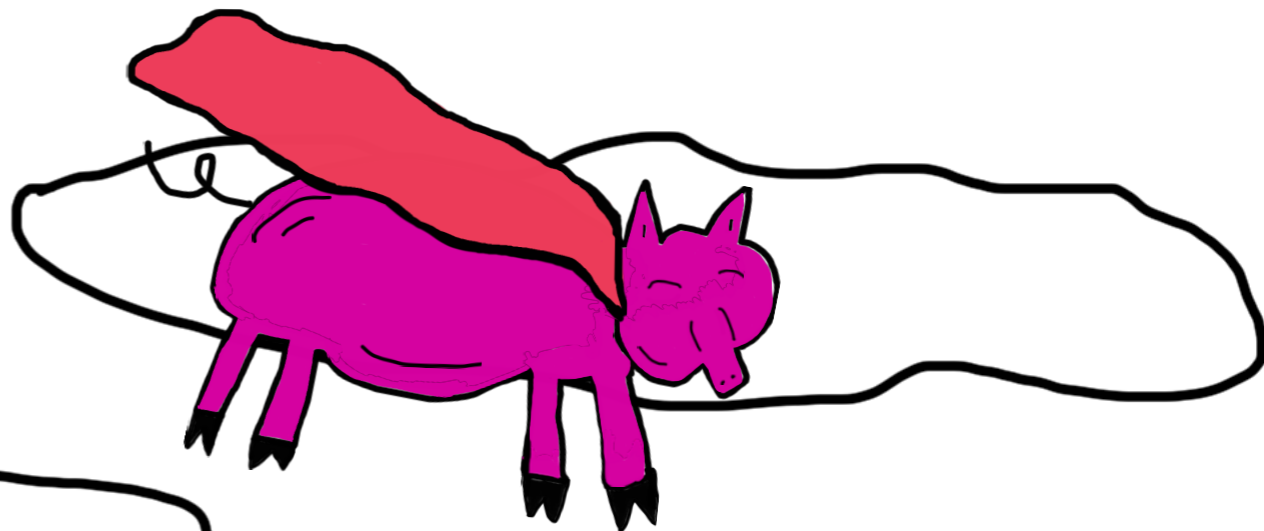

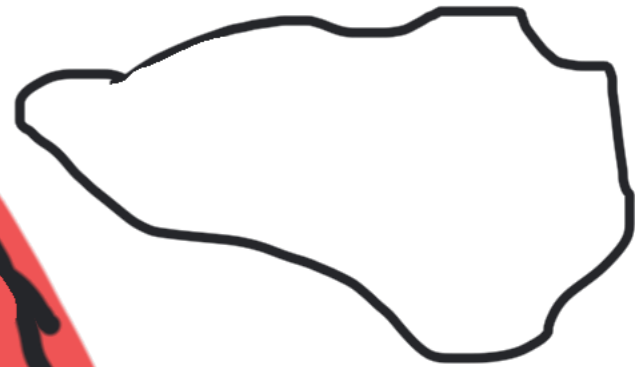

¡Ella es una súper heroína!

Ramón se ducha.

Las ovejas se afeitan.

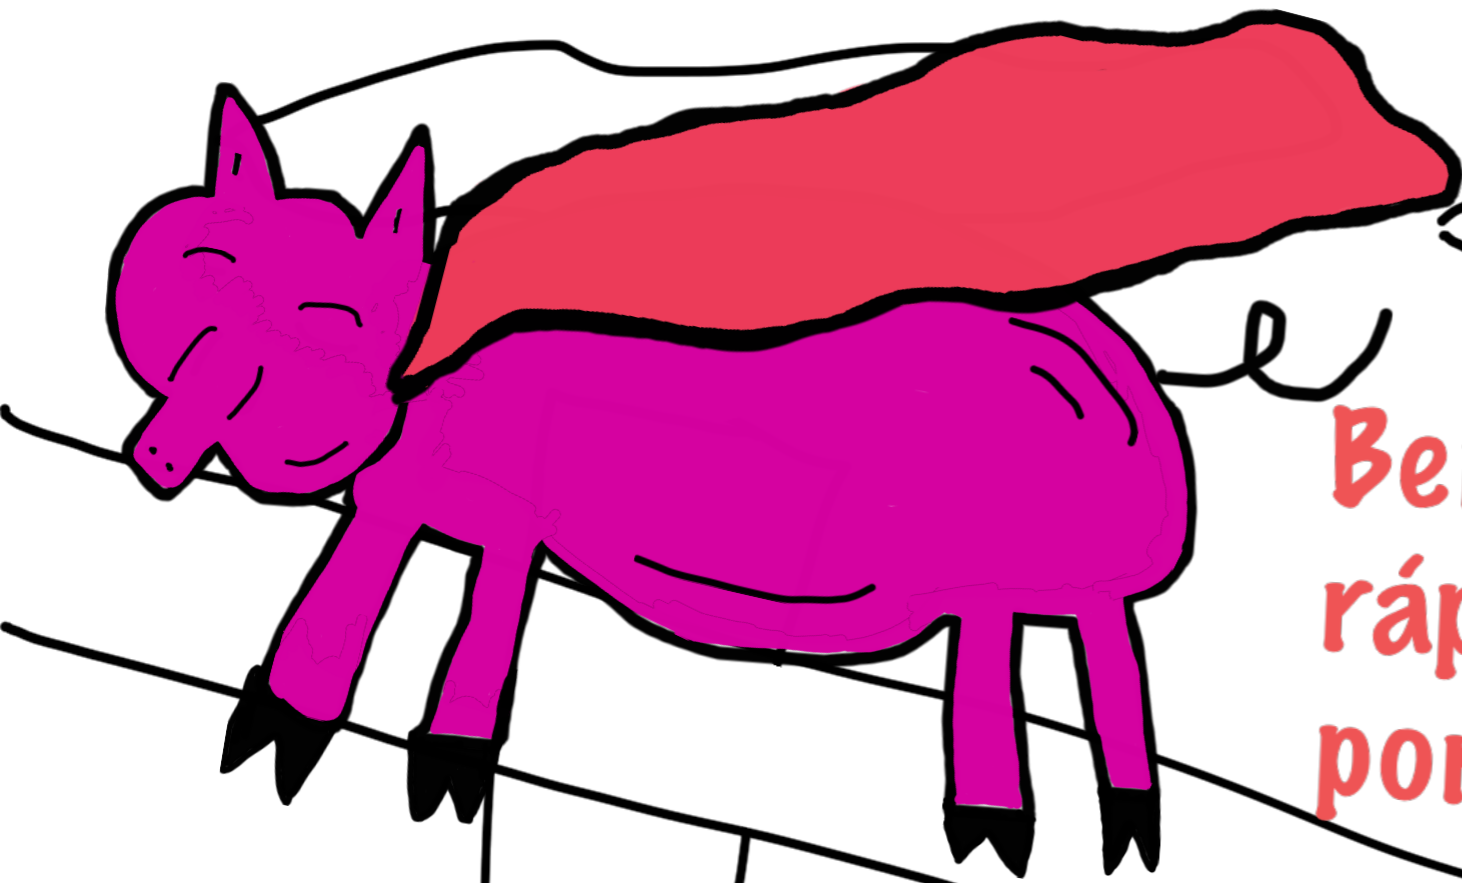

Los pollitos se bañan.

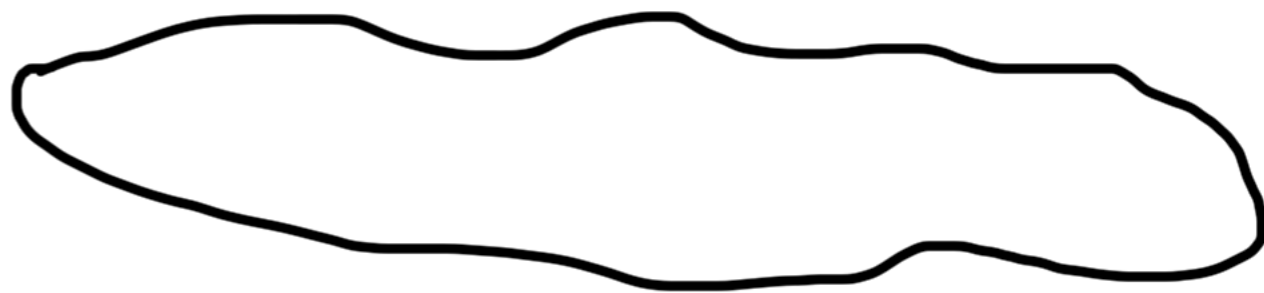

Los toritos ya se pusieron sus aretes de oro.

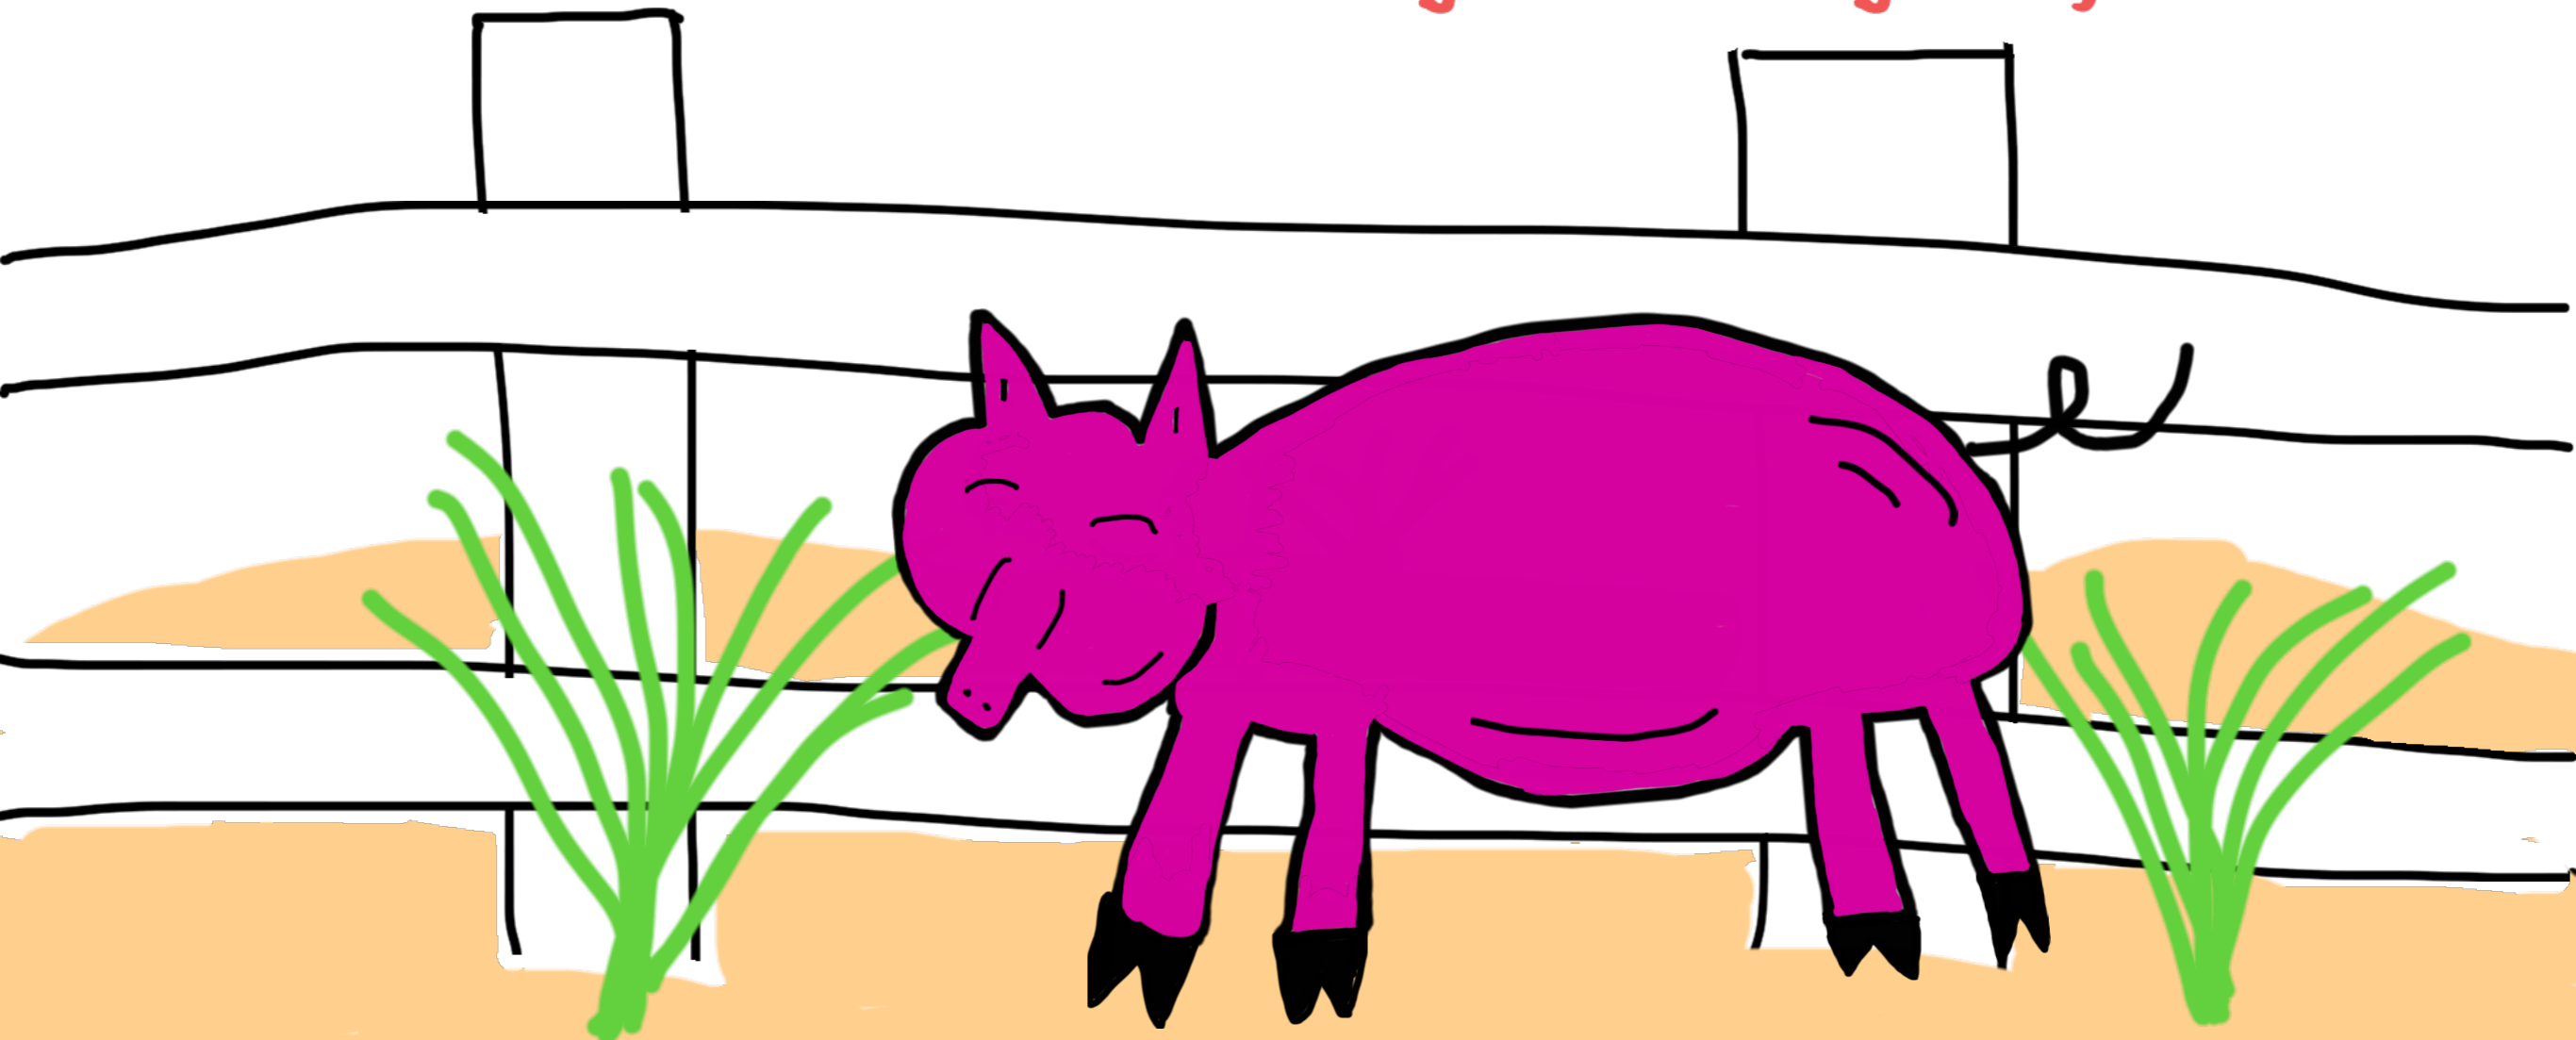

Todas las preparaciones andan perfectamente. Todo va a estar bien para el festival.

Berta regresa
rápidamente a su corral
porque...

A Berta la Cerda le gusta su granja.
