

Answer the following questions

1. Find the following words or phrases in the infographic: would have, would know, electricity, population, home
2. What is the main idea of the infographic?
3. In Spanish or English, write 3 sentences you could tell someone to educate them about some of these problems.
4. In Spanish, tell me which problem hurts our community most and why. You might use *Creo que* - I believe that or *Pienso que* - I think that to start.
